

The Ladies Summer Competition

The Ladies Summer Competition will commence on the 9th January and conclude on the 17th February 2017.

Ladies can play any day, to enter as long as you have a golfer to mark your card. The cost is \$6 each 9 hole round.

Ladies Golf will still be played on Wednesday and a timesheet will be used to organise hit off time. This will allow Marcus to utilise the course and slot social golfers around us. Either drop into pro shop to add your name to time sheet or phone Marcus on 02 49382155.

Wednesday golf will be \$11 and winners will receive vouchers, balls and Nearest to the Pin will apply. It is thought that most will still hit off between 8am and 8.30am.

The best round each week will be used to determine the winner of the Summer Competition.

Opening Day and the start of the 18 hole competition will commence 22nd February, 2017.

Pennants will begin 27th February, 2017
