Balls 11 Distributed down to score: 73

Robert Hale put together one of his best rounds to easily win Saturday's Monthly Medal with a wonderful 63 nett, equivalent to an 81 off the stick for this B Grader. Bob's recent development with his driver obviously helped him attain his excellent score- drawing the ball has added to his golfing repertoire. Mark Moylan, a member of the victorious B Grade Pennant team this year, continued his good form to win A Grade with a tradesman like 68 nett. Greg Gillard's 71 nett was good enough for 2<sup>nd</sup>. Doug Muncaster won B Grade with his 69 nett score, just ahead of Reece Caldwell with a 71 nett. Josh Davey's superb 65 nett enabled him to blitz the field in C Grade with Fraser Wilson runner up with his 69 nett score. Dave Hollis enjoyed his iron play judging by his two nearest the pin results which included the closet shot to the difficult 13<sup>th</sup> hole. The shot of the day belonged to another member of the B Grade Pennant side, Troy McCaw, with his shot to the 9<sup>th</sup> finishing around a metre away. A 73 nett score was needed to win a ball. This coming weekend will see a troupe of players from the Branxton Club venturing on a 3 day golf trip to the mid north coast—we wish them well—with some excellent golf courses to be played.
