| NTP 13 | A | 13th | Chris Zawirski | 380cm |

Balls 13 Distributed down to score: 33

Saturday's strong winds ensured low scores would be hard to get with 33 pts needed to win a ball. Mick Tracey won A Grade with his strong 37 pts, indicating his ability to play in such conditions as he hits a low ball and is strong around the green. Kevin Mills made a return to Branxton, finishing runner up with his 36 pts, just ahead of the ever consistent Chris Zawirski with 35 pts. Robert "Shirl" Miller won B Grade with an excellent 38 pts, 2 pts clear of the sweet swinging Tony Seamer with 36 pts with Doug Muncaster's 36 pts earning him 3rd place. Darren Mathers continues to impress in C Grade, winning with the day's best stableford score of 39 pts, with Fraser Wilson and Kevin Walton filling the places with their 37 pts. The shot of the day belonged to Lee Heuston on the 2nd which finished only 140 cms away. Around 20 Branxton players spent the weekend on the mid north coast on their annual golf trip so I look forward to hearing about the finer points of their trip including our Club Professional Marcus who should have plenty of stories to tell.
